

National Finance Center Customer Notification

Date of Notification: December 15, 2010

Subject: Delay of STAR 6.0 Implementation

Database/Customer(s) Affected: All STAR Users

Dear Customer:

The implementation of STAR 6.0 has been delayed until Pay Period 04, 2011. However, all STAR projects that were scheduled for Pay Period 25, 2010, will be implemented in the current version of the application. These updates will be available on December 20, 2011, for the processing of Pay Period 25 T&As.

We apologize for any inconvenience this issue may have caused.

If you have any questions regarding this notification, please contact NFC's Client Management Branch at Customer.Support@usda.gov.

"Tip of the Week"

As we approach the end of the 2009 Leave Year, we encourage all agencies to remind employees to monitor their leave balances and plan appropriately regarding use-or-lose, compensatory time, religious observance, etc.
